EDUCATION

Georgia State University

Atlanta, GA - BFA - Studio Art, Concentration in Graphic Design

AUGUST 2017 - MAY 2021

EXPERIENCE

BestFit, Inc. - Public Benefits Navigation Platform

Atlanta, GA - Product Designer

November 2022 - July 2026

- Led end-to-end product design for a public benefits platform serving higher education institutions and workforce organizations.
- Designed complex eligibility screening experiences by translating federal and state policy into intuitive user workflows.
- Led user research, usability testing, and stakeholder interviews to validate product decisions.
- Designed AI-powered Support Plans that generate personalized next steps for benefit applicants.
- Designed and launched the Benefit Navigation Platform, improving how users discover, understand, and apply for public benefits.
- Partnered daily with engineering and leadership to define requirements, prioritize features, and ship new functionality.
- Created interactive prototypes, design specifications, user flows, and developer handoffs in Figma.
- Helped onboard enterprise clients including Clayton State University and workforce development organizations.

Atlanta, GA - Graphic Designer & Marketing Coordinator

April 2020 - November 2022

- Coordinated client communications and outreach materials.
- Organized project files and maintained digital records.
- Created accessible materials for workforce, nonprofit, and higher education organizations.
- Collaborated with internal teams to meet project deadlines.
